

CAPTAIN SCOTT B AND
THE GREAT ADVENTURE

Non-Profit Screenings

{The Story}

A young woman in a blue plaid dress and a dog walking through a forest. The woman is wearing a blue and white plaid dress and blue sneakers. The dog is a black and white speckled dog with its tongue out. They are walking on a dirt path through a lush green forest. The background is filled with green foliage and trees.

A heartwarming and heroic journey to discover the magic of everyday life.

Set against the backdrop of the North Carolina outdoors, a grief-stricken young woman embarks on a mountains to sea journey to finish the film project her deceased father began decades earlier.

With each new stop along the path, her father is there, even in death, showing her what it means to truly live.

{The Ingredients}

Family, food, music, adventure, travel, living fully in the present moment, and a deep connection to nature; these are the seeds of healing scattered like breadcrumbs along Betsy's path, as she gradually uncovers the secret recipe to her larger-than-life father's unique brand of wisdom.

What begins as a journey to finish her father's film project, is transformed into a celebration of the extraordinary gift of life in this heart-warming tribute to one man's abundant and magical spirit.

{The Adventure}

Capturing Scott B's enthusiasm for outdoor recreation and his deep connection to nature, matched with the open-hearted curiosity and resilience with which Betsy follows his trail, this is an adventure film with a soul.

North Carolina's abundant natural beauty provides a vibrant and inspiring backdrop as Betsy's journey takes her down back roads and trails to some of the best kept secrets of the South, including Blue Ridge mountain hikes, a paddling trip through the world's oldest Cypress Swamp, and a return to her dad's favorite kiteboarding spots along the Crystal Coast.

{The Impact}

This story will speak across cultures and generations to anyone who has lost someone they love, and touch the hearts of all those seeking to live their best, most-meaningful life.

At a time when the entire world is dealing with loss and searching for meaning, understanding grief and loss are more important than ever. Our film provides an entry point to discuss these issues in a way that creates space for hope and healing.

Betsy Bertram is a recognized voice in the outdoors industry. This story, and Betsy's courageous path through the wilderness of loss towards the light of hope and healing, will be especially inspiring for young women who see too few role models across all media.
